I am sorry for waking you up.
But I feel this is something you should know.
This isn't even fun.

Why do humans have to be so fragile ?
At least give me some entertainment.

You -
You are late.
What's going on ?
They aren't on the same side ?

For how much longer do you have to do this?
When will you ever stop ?!
Why do you have to act like a child even after all these years ?!

Until you show me some reactions
I act like this because you keep ignoring me.
I am acting like this because you are not looking after me !

Ah...
It hurts so much.

I guess even after being immortal, pain is still pain nevertheless...
I wonder what I mean to Jin-Whan...
And
What was me to him?

What was going through his mind when he was brining me back...
Did he bring me back just because my mom begged?
Did he me I am mom's daughter?
Hah -

Does that even matter now?
